READY FOR MY SHOW

My breasts, mouth and pussy are perfectly designed fucking tools. They're meant to be used to attract and seduce a man. Or in my case, many men. And I don't let my mate stand in the way. I think by the time you're twenty or so, you're going to know a lot about your own sexual appetite. But to get that information to stay in the brain after you become monogamous is a difficult part of life. I like sex and I'm going to have it with whomever I like, because I can!

no spare? you'll need a tow

go get
your own
break
down

I was headed up the coastal highway past Big Sur towards Carmel to meet up with some friends for a nice relaxing weekend in the cabin we had rented. I rushed out of the office early on Friday to get there before sundown. Now I'm two hours into the trip and get a flat tire just past the Bixby Creek Bridge. I don't know if I ran over anything or it just lost all its air. Nonetheless, I use my cell to get local information to get the phone number of a local mechanic who can come out to help me. I get through to a gas station and sweet talk a young guy to come out and help me. It turns out I was only ten miles from the station, so he was there in a little less than a half hour.

I didn't have time to change before leaving the office so I'm dressed in my business suit with a deep purple jacket and white button-front blouse. I tell the mechanic that I'm on the side of the road waiting in a dark red late model coupe. He pulls up in his big tow truck with all the loose parts rattling down the road. He jumps down and walks over to me, checking out the flat on the curb side of the road.

Greeting him, I explain I didn't know what happened but I was in a hurry to get to the cabin. He smiled and said he'd get me back on the road in

a jiffy. I got out of the car and stood at the other end from the flat. As I watched him bending and toiling over my car, his powerful arms at work, I just couldn't resist walking over to him and bending over, I tell him that he does that so well. When he looks up the first thing he sees is

a great view of my impressive cleavage, made even more prominent by the way I was leaning slightly forward, and my arms pushing my boobs together. I noticed that he was trying not to look, but he couldn't help himself.

I watch as he pumps air into the tire without success. Then he goes to the trunk to get the spare.

"No spare? Looks like I'm going to have to tow it back to the station and fix it there," he announces. He backs the tow truck into position and hooks up the car to it. I get in the front with him and we drive back to the repair shop – and there with all his tools at hand, he fixes it quickly. When it came time to pay him, I go back into the car to get my purse and realize I had left it back at the office. I'm so embarrassed. "Neil, I don't know what to say, but I think I left my purse at work and I don't have any cash or credit cards with me. What can I do?" I say with a sheepish voice.

I get out of the car and stand in front of him awaiting his answer. Somehow our physical presence is almost too much bear. "I don't know," he says, "this doesn't happen very often." All the unspoken sexual tension seems about to blow when he walks away to go behind the counter, brushing my chest. Seeing that he's smudged my jacket. "I'm sorry about your jacket." he says apologetically. "I've made your nice top all dirty now." Instinctively, he moves to brush it away, just as I go to do the same thing and end up knocking his hand onto my chest. He looks at me, but made no effort to remove his hand.

panties, feeling hornier than I can last remember. Neil walks over to me and grasps a boob with one hand and with the other gives my thighs a little stroke, running his fingers up and down my inner leg. Grasping his hands, I tell him to go wash up and I'll be ready for him then. He leaves for the bathroom and to the sound of running water, I completely disrobe and lean against the counter – waiting.

He re-enters and I step out into the surreal shop light. He pauses and looks at me up and down. Taking my hand, he leads me behind the counter, away from the windows. I see his hard young body straining at

Suddenly, I was brave and horny at the same time. Boldly I say, "I'd rub that smudge off if I were you, before it permanently stains my nice jacket." He needed no second invitation and gently flicks his hand across my top. Instantly I felt a little turned on, and both nipples are now trying to poke through my clothes. He notices this, as now he is making no effort to get rid of the mark. Instead he starts giving my boobs a thorough massage. By now I'm really turned on, the thrill and unexpectedness of this whole thing are combining to make me more turned on than I've been in a long time.

"Wait - let's make this a bit easier for you," and I quickly take off my two tops and step out of my skirt. Now I'm standing there in the station with only the rear shop lights on in my heels, bra and

his unbuttoned overalls. Invitingly, I put one leg up on a shelf under the counter. Neil takes the invitation hungrily, his hand caressing my mound for a second or two and begins stroking my very wet pussy. First he slips one finger and then two into my wet, silky hole and slides them in and out in a slow but persistent rhythm.

Every few strokes he pushes a little deeper, until in no time he is ramming his fingers into my soaking pussy so hard I can barely stand, all the time his other hand is playing with my boobs and tweaking my hard nipples. Then he rams his fingers all the way in, and turns his hand a little so that his thumb is able to rub and play with your swollen throbbing clit. As his fingers explore my wet pussy, they find my g-spot and soon the combination of Neil rub

Taking my hand, he leads me behind the counter, away from the windows. I see his hard young body straining at his unbuttoned overalls.

bing both that and my clit at the same time becomes so intense that I can feel an orgasm beginning to build. "Do it harder," I shout. "Make me cum."

He carries on for a little longer, until I feel that an enormous, crashing climax will soon consume me. He obviously senses this, as he feels my body subtly changing as I get close to cumming. He drops down to his knees, pushes my legs even farther apart, and greedily begins to lick and suck at my clit. He is now finger fucking me with two fingers, slowly and surely plunging them in as far as they will go, while at the same time his quick, darting tongue is licking around my pulsing clit.

This is more than my body can take, and soon I nearly suffocate him as a huge orgasm clamps shut my thighs as it rips through my body. I feel his tongue still licking my love button because this doesn't seem to stop him as wave after wave of my orgasm flows, he is sucking on my engorged clit. After what feels like an eternity I feel my orgasm subsiding, and my legs open once more as Neil comes up for air, glistening with the slime and smell of my pussy juice.

Neil stands up and releases his body from his clothes. His large, hard cock is pointing at me, egging me on to touch and caress it. Which I do. Taking the eight inch piston rod in my hands, I drop

to my knees and wrap my mouth around it, working my tongue up and down the shaft and around the head. It smells of a slight musty manhood that I now find intoxicating. I devour his rod and work his balls furiously as I slurp up and down the object of my attention. I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock up and down as he watches me in the subdued light.

Pulling his cock back down, I release his balls and begin to suck him again as I reach up to his chest and squeeze his nipples. I hear a muffled groan as perhaps it's just a bit too hard, but

at that very moment I feel him jerk his cock in to my mouth harder and then a hot liquid stream of his jizz floods my mouth. It is so much that I cannot keep it all in and it drips down my cheek and onto my breasts. In one big gulp I swallow it all and stand up to give him a big wet sloppy kiss with a mouth full of cum.

His erection softens after a few minutes. He gets dressed and stuffs it back into his pants. He finds my clothes on the floor and hands them to me. "You don't have to tip me, ma'am," he says. "I believe that more than covers the price." "I do appreciate it," I say. We smile as I take my clothes from him. I use the bathroom to clean up and then jump into my car, only an hour behind on my trip to Carmel.

I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock...

STEFANY

NO COCK NEEDED

Here's Stephany, a woman that only does what she wants, when she wants. But given those full sexy boobs and flawless legs, she craves for stuff that only matters to her pleasure. This is the kind of babe that won't give you and me a second look. Why should she? She's confident in herself and her sexuality. But we'll give her another look especially when she wields that massive dildo. This one's a truly visual feast, best enjoyed with tissue.

SORORITY SPICE

My friend, Jolie, had already been accepted into the most exclusive sorority on campus, and she wanted me to join so we could both be members. I really didn't care one way or the other, but I wanted Jolie to like me, so I agreed.

The initiation party took place one evening in the living room of the sorority house. I was nervous, but Jolie reassured me there would be no nasty hazings. I'd have to go through some tests to be accepted, but she said I should keep an open mind.

The living room was fairly large and had a crackling fire going. I sat down and waited with Jolie. Her thigh was pressed up against my own. I could feel the heat right through my jeans. My mouth was dry, and my heart beat faster and faster each moment.

There were about seven other women there. Suddenly a tall blonde stood up. "Well, Sage," she said, "the

initiation is simple. All you need to do is give another member of the sorority an orgasm. The rest of us will wait in the next room and then ask her if it was satisfactory." She then waited coolly for my response.

My face grew red with arousal. I knew Jodie had set this up, and I was very excited about it. I turned and gave Jodie a wicked smile, which she returned. "Sure," I said, barely able to keep my voice from cracking. "Sounds perfect."

In a flash, Jodie and I arranged ourselves on the pull-out couch while the rest of them slipped from the room. We sat down facing one another, and Jodie kissed me slowly. But my mouth opened, and I stuck my tongue into her mouth. She sucked on it slowly,

savoring its wetness. Suddenly our bodies ignited, and she leapt on top of me, pushing me down onto the couch.

Jodie wordlessly began disrobing me, and I did the same until we lay there naked, holding each other and panting. Her alabaster body glistened with sweat, and her tight ass and blonde triangle were damp with desire. She maneuvered me onto my side, then got into a 69 position. I immediately went down on her and wedged my head between her legs. Her wetness tasted like peach nectar. I licked her swollen clit with intense relish.

Jodie also licked mine, holding my ass-cheeks tightly. "Oh, Sage, this is so good," she wailed. "You taste great!"

Instinctively, I mashed my pussy into her face and licked her clit faster. Her pelvis rocked back and forth

against my tongue as I slipped my fingers inside her slick hole and started fucking her hard. She soon began to come right on my face. Her juices rolled onto my tongue, and I thirstily drank every drop.

“Yes, Jolie! I’m there!” I mumbled, licking her slippery clit as hard as I possibly could.

Jolie went at me harder as her orgasm built. My clit bulged in her soft mouth, and soon I began to come. In fact, we both stared to spasm and shake. Her hips jolted forward and swayed to the rhythm of my tongue wagging.

We both kept licking and shaking and coming over and over again. Our moans grew louder and our breathing ragged. We kept at it until we’d licked each other dry, then fell back onto the couch, exhausted.

Before we even had a chance to get

dressed, the sorority group charged back into the room and welcomed me to the group with immense praise. The blonde woman asked if the group could watch the next time around. I didn’t turn her down.

MUFF MUNCHERS

One Saturday afternoon I was sitting at my desk trying to get this damn studying finished so I could watch the game. The TV was blaring in the background and it was getting harder and harder to concentrate. Game time was only ten minutes away and I kept peeking over waiting for it to begin.

Suddenly, there was a knock on my door. I don’t get too many knocks on my door as most students tend to keep to themselves and their friends. So I go over and look through the peep hole and there was Edie, the blonde nursing student I had fucked last weekend. She lived in the build-

ing but up several floors.

I opened the door and said ‘hello.’ I was about to close it when Edie says “I hope you don’t mind, but I brought Rochelle over.” Rochelle walks over to the doorway and offers her hand to shake, which I do. I gently pull it, and her, into my place with Edie. They look around and sit on my sofa.

Edie was fun and loved to give head. Nonstop for hours. Rochelle seemed interesting. She had a tattoo on her left arm and probably elsewhere, I’m guessing. They both were dressed in t-shirts with band names on them – and jeans. Edie was little taller, but Rochelle had a bigger chest, and obviously not wearing a bra.

Neither were. I had seen Rochelle around campus a few times, always looking quite studious. I offered them both a drink. Edie wanted a

beer; Rochelle, wine. Fortunately, I had each and grabbed a beer for myself. I turned down the television still hoping to catch some of it.

I sat down on the chair next to the sofa and ask, "So, ladies what brings you here today. Rochelle answered simply, "We want to study and need to fuck. Not necessarily in that order. I nearly choked on my beer. Edie blushed at Rochelle's directness but laughed and said "Cock. Baby we came for your cock. I want something other than Rochelle's pussy." Rochelle laughs.

"Edie, you didn't say anything last time that you were a muff muncher. How long have you two been doing each other?"

Edie laughed and said, "Since the beginning of the semester. I had never had a girl before, but she was hot and I was horny, so, long story short, we've been at it since then. Rochelle then added, "Edie told me how nice your cock is and every

now and then, I'd like one.

Without hesitation, I dropped my beer on the coffee table, stood up and grabbed each of their hands and led them to the bedroom. I sat Rochelle on the bed and pulled her top off. Her skin was quite fair, but she had perfect boobs. A perfect C cup. Her tat stopped at her shoulder and I noticed a small fairy just above her right nipple.

Quickly I stripped off my clothes and noticed that Edie had fully stripped as well. I laid Rochelle back and pulled off her jeans. She was wearing a thong and I just pulled it aside. She was totally bald and her pussy was puffy and wet. I couldn't resist licking her pussy as Edie was kissing her and rubbing her breasts. I was fingering her pussy with two fingers and found her g-spot. She came twice – very intensely.

I positioned my cock between her legs and rubbed it on her wet pussy. I slowly pushed in and she gasped. When I got halfway in, she groaned

and with that I pushed in deeper. When I got in balls deep she was really moaning loud. Edie was behind me, rubbing my balls and Rochelle's pussy through my legs. When I felt myself cumming, I pulled out and blasted my load all over her boobs.

I laid back and rested for a bit but it didn't take long for me to get hard again. Edie got on her hands and knees and I entered her doggy style. She has such a nice ass that I couldn't resist working my finger in there as I fucked her tight pussy. "That feels so naughty, I love it."

Rochelle got on her knees next to Edie and put the tip of the vibe at Edie's puckered hole. Edie came with a scream and collapsed on the bed. We snuggled and rubbed each other. Rochelle especially liked rubbing and stroking my cock and balls, occasionally getting a closer look at it. We got up an hour later and decided that studying was not on the docket today.

I don't have much time in my day. When I can, I call Johnny for a quickie at lunch. He's real close and I'm really horny and he's not too far away. It's a great arrangement and I take advantage of it anytime I'm alone at home. Besides, he's got a great cock, nice and big and hard. Just the way I like it! Hi Johnny, cum on in...
